MINUTES OF DIRECTOR'S MEETING

October 15, 2011

These are the minutes for the LMSC Director's Meeting held on October 15, 2011. The meeting was held via e-mail and included LMSC President & Director Biff Sturla and LMSC Directors Jay Dubow and Howard Burde.

RACHEL SAVETT SCHOLARSHIP AWARD

This scholarship has had its own bank account for many years. Because of the low amount that is held in the account, monthly bank fees are reducing the amount. It was decided that it is best to consolidate bank accounts by moving the money out of the Rachel Savett account and into our main account. The money transferred out of the Rachel Savett account will still be used for scholarships for players, including the 2012 Spring Intramural Program and the 2012 - 2013 Travel Team Program. There will no longer be a specific Rachel Savett Scholarship Award.

COMMUNICATION REGARDING FIELD CLOSINGS

The heavy amount of rain that we have encountered this fall has resulted in the township and the school district closing their fields on a regular basis. A problem arose when the township and school district e-mailed Biff about field closings, but the message was not received until that evening. As a result, LMSC teams were practicing on fields which had been closed by both the township and the school district.

It was decided that we need to add a second person who can send out e-mails to coaches and players regarding field closings. A second person will also need to be identified to be able to update the LMSC web page, specifically the section which lists which fields are open and which are closed.
