FALL INTRAMURAL PROGRAM TO START ON SEPTEMBER 9

The 2006 Fall Intramural Program will be open to boys and girls not playing in the Travel Team Program who were born between 1993 and 2002. The program starts on Saturday, September 9th and runs through November 12th.

Like all of our programs at LMSC, the primary goal of the Fall Intramural Program is: **“To provide each and every youngster with a fun filled experience in a soccer environment.”**

The registration deadline is August 10th. There is a late fee for all registrations postmarked after that date. LMSC will not guarantee placement for any registration postmarked after August 10. Due to the limited amount of fields that we have, many divisions will close registration before the start of the season.

For older divisions, LMSC will attempt to place players on teams with their friends, provided they are playing in the same division and provided they are listed in the teammate request section of the registration form. Teammate requests must also be received by August 10 when we begin the long process of making up teams. This does not apply to the 4 and 5 year old divisions.

Registration information is on page four of this newsletter. A registration form can be found on page nine.

CANNIBALS REACH STATE CUP FINALS. LIGHTNING, VELEZ AND ARSENAL ALL REACH STATE CUP SEMIFINALS

Each spring our top teams compete in the State Cups, an annual competition designed to crown a state champion in each age group. This year, LMSC had four teams reach the state cup semifinals and one reach the state championship game. Reaching the finals were our Under 11A boys team, the LMSC Cannibals. The other three teams to reach the semifinals were the Under 9A boys Lightning, the Under 14A boys Velez and the Under 15A boys Arsenal.

More information on state cups can be found on page two of our Summer Newsletter. Congratulations to all four of these teams for their excellent showing in the 2006 State Cup competition.

CANNIBALS TAKE SECOND IN STATE CUPS, WIN THE JEFFERSON CUP IN RICHMOND

Congratulations to the LMSC Cannibals who reached the finals of the Under 11 boys State Cup competition. The competition involved 24 of the top teams in the state. In bracket play, the Cannibals defeated the Warrington Lightning 4-0, Lenape Valley 1-0 (goal by Devin McLaughlin) and Warrington Spartans 10-0. Their success in bracket play earned them a place in the quarterfinals where they defeated FC Bucks 1-0 on a second half goal by Matthew Lindheim

In the semifinals, the Cannibals played the Montgomery Maniacs. These two teams faced each other in the fall in the championship game of the Delco League where the Cannibals won 1-0. This time the Cannibals put three goals in, all on head balls, by Brett Campbell, Ben Marks and Lindheim. Their 3-0 win put them into the state cup championship game against PA Classics from Lancaster.

Going into the championship game, the Cannibals had not allowed a goal, thanks to the excellent work of defenders C.D. McGlynn, Michael Discavage, Alex Dubow, Danny Gonzalez and Jason Shein, along with goalkeeper Kevin Lawson. In the first half of the game, Campbell made a great play but his shot hit the post and came out. With 10 minutes left in regulation, and the score still 0-0, a Cannibals player was ruled to have tripped a Classics player inside the penalty area. Classics converted the PK to take a 1-0 lead. With time running out and the Cannibals still unable to score, the team pushed everyone up into the attack. Classics got a second goal with three minutes left to seal the victory.

Still, it was a great spring season for the Cannibals. Earlier in the spring, the Cannibals traveled to Richmond, Virginia to play in the Jefferson Cup, considered to be the toughest tournament in the Eastern United States. Among the teams in the Under 11 age group were teams from Michigan, New York, New Jersey, Virginia and Pennsylvania.

At the end of the weekend, the Cannibals emerged with a 4-0 record and the championship of the top division. Ben Marks scored two goals in the championship game of the Jefferson Cup. The team also got excellent play all weekend from Sean O'Brien, Andrew Gonzalez, Gabe Boni, Grant Simon and Mark Abi-Khattar. This fall, the Cannibals will attempt to win their fourth consecutive Delco League top division championship.

LIGHTNING, VELEZ AND ARSENAL REACH SEMIFINALS OF STATE CUPS

Congratulations to the Under 9 LMSC Lightning (Adrian Cox, coach), the Under 14 LMSC Velez (Miguel Nuila, coach) and the LMSC Arsenal (Mark Weinmann, coach) who all reached the semifinals of state cup competition. The Lightning, competing in their first ever State Cup, played Philadelphia Soccer Club Arsenal in the semifinals and lost a tough 3-2 decision in overtime. PSC Arsenal were the eventual U-9 boys state champions.

The LMSC Velez, winners of the state cup championship in 2004, reached the semifinals of the Under 14 boys age group, losing to the eventual state cup champions, FC Delco Demons. The LMSC Arsenal reached the finals of their age group the previous two years but were unable to get there a third time as they lost 2-0 to Lower Dauphin United from the Harrisburg area.

On the girls side, the LMSC Heart, who won the Indoor State Cups in the winter, dropped a tough 2-1 decision to rivals FC Bucks in the state cup quarterfinals.

A complete list of LMSC teams over the years who have reached the semifinals of their state cup competition (both indoor state cups and outdoor state cups) can be found on page 19 of this newsletter.

FORMER LMSC PLAYER BEN OLSEN SELECTED FOR USA WORLD CUP TEAM

Congratulations to former LMSC player Ben Olsen on being selected to the USA Men's World Cup. Olsen played for the Lower Merion Gorillas and was teammates with current LMSC coach Adrian Cox as well as Jon Conway, goalkeeper for New York Red Bull of Major League Soccer.

Olsen later played at the University of Virginia where he was an All-American selection and a finalist for the Hermann Trophy. He has played for D.C. United of Major League Soccer for the past eight years. He also played briefly for Nottingham Forest in England. In 2000, Ben started for the USA Men's team in the Sydney, Australia Olympics. He made his first appearance with the USA Men's Team in 1998. Since then, he has six goals for the USA Men's National team in 33 appearances.

LMSC would like to congratulate Ben on his selection to the World Cup team. We wish him the best of luck in all his future soccer endeavors.

PLAYERS SELECTED FOR THE UNDER 8 DEVELOPMENTAL TRAVEL TEAM ACADEMY

This spring, LMSC picked a pool of players for their Under 8 Developmental Travel Team Academy. These players will train in the fall and winter under the guidance of the LMSC coaching staff. The purpose of the program is to offer our top seven year old players an opportunity to develop their skills and increase their knowledge of the game so that they will be ready to tryout for the Travel Team Program the following year. The Under 8 Academy will be headed up by Danielle Fagan, a 10 year veteran of the LMSC Travel Team Program and the head coach for the Conestoga High School Girls Varsity.

Congratulations to the following players on being selected to this year's Under 8 Academy.

FALL INTRAMURAL PROGRAM INFORMATION

The **Lower Merion Soccer Club** is now accepting registrations for their **Fall Intramural Soccer Program**. The program is open to **boys and girls born in 1993 through 2002**. The 2006 season will be our 39th season. LMSC is affiliated with the United States Soccer Federation.

The season will start on **Saturday, September 9 and run through November 12**. All games and practices will be held at fields within Lower Merion Township. In 2005, we had over 1700 players participate in the Fall Intramural Program. An additional 600 players ages 8-18 play in the very prestigious LMSC Travel Team Program.

For all divisions, except our youngest divisions (Atoms, Neutrons and Pee-Wee Divisions) and the Special Needs Division, there will be a late fee for registrations received after August 10th. We also cannot guarantee that we will be able to place a player on a team if his / her registration is received after that date. This deadline is necessary so that we will have enough time to properly make team assignments and schedules for the 1700 plus players that we anticipate again having.

To find out which divisions still have openings, please check our website (www.lmsc.net). We will constantly update the site to show which players have been accepted into the program as well as show how many openings remain in each division. If the requested division is full, the registrant will be put on a waiting list or have their registration check returned.

ABOUT THE FALL INTRAMURAL PROGRAM

The Fall Intramural Program is divided into 14 different divisions based on age and gender. Each division uses one of three different formats, each designed to maximize skill development, obtain an optimal competitive level and, most importantly, maximize the amount of fun that each child has during the season.

The objective of all our programs is "**to provide each and every child with a fun filled experience in a soccer environment.**" Our number one goal is fun, our number two goal is to develop each player's skills so that he/she may progress to higher levels of play in the future. We try to keep the winning and losing aspect in check for all players, and we expect this philosophy to be followed by each players' parents as well as other spectators at games.

Children do NOT have to follow the recommended guidelines for our age groups. They may play up in an older division or down in a younger division if the parents see fit. (This is NOT allowed in the Travel Team Program).

One of the primary purposes of the LMSC Intramural Program is to develop the more talented and enthusiastic players for the LMSC Travel Team Program. We offer boys and girls travel teams starting at Under 9 and going up through Under 19. We have up to four travel teams in each age group. Since 1989, LMSC Travel Teams have won 19 State Championships. Children with sufficient athletic ability and soccer interest should give serious consideration to trying out for the Travel Team Program when they are old enough. Travel team players, unlike intramural players, generally progress to high school varsity teams and beyond.

LMSC is a not-for-profit entity. It is the ONLY local area soccer program that is affiliated with the United States Soccer Federation, meaning that it is the ONLY local area program that can offer a Travel Team Program where the more talented and athletic youngsters can aspire to higher levels of play.

Six LMSC players have gone on to play professionally, including two currently playing in Major League Soccer. One former LMSC travel team player represented the USA on the 2006 Men's World Cup team. Three former LMSC players have represented our country on National Youth Teams. Another former LMSC player, who holds dual citizenship, was a member of Spain's Under 18 Women's National Team. Many of our players have gone on to play State Select and Division One college soccer.

INFORMATION ON THE VARIOUS AGE DIVISIONS

OUR YOUNGEST AGE DIVISIONS

PEE-WEE DIVISION:	Children born in 2002	Sundays: Boys: 10:00, 12:30, 3:00	Girls: 11:15, 1:45
ATOMS DIVISION:	Boys born in 2001	Saturdays at 9:15, 11:45, 2:15 and 3:30	
NEUTRONS DIVISION:	Girls born in 2001	Saturdays at 10:30 and 1:00	

The emphasis of our Youngest Age Divisions is on enjoyment of the game and basic skill development. Players meet once a week. The players will be led through a 25 minute skills clinic, followed by games of 4 vs. 4 on scaled down fields to maximize player participation. A size 3 ball is used. These age groups use a "pickup soccer" format where players are randomly placed on different teams each week. This is done in order to minimize the pressures of winning and losing, thereby allowing each child to enjoy the game in a stress-free environment.

Because of the small numbers of players on each team, we need to have a large number of coaches in each division. Over 90 percent of our coaches are parents of the players. **Parents are asked to give consideration to volunteering to coach.** You do not need to have playing experience to be a coach. At LMSC, we set aside a large percentage of our budget for coaching materials, coaching clinics, etc. We believe that the best way to have a successful program is to have coaches who are enthusiastic and understand their roles and responsibilities. **While registration will NOT close for these age groups, many of the time slots will close by August 1st.**

OUR MIDDLE AGE DIVISIONS

		Maximum number of players accepted in division.
BANTAMS DIVISION:	Boys born in 2000	120
MICRONS DIVISION:	Girls born in 2000	120
JUNIORS DIVISION:	Boys born in 1999	120
QUASARS DIVISION:	Girls born in 1999	120
INTERMEDIATES DIVISION:	Boys born in 1998	120
PROTONS DIVISION:	Girls born in 1998	120

The emphasis of our Middle Age Divisions is on enjoyment of the game, skill development and the introduction of being a part of a "team." Each youngster is assigned to a team of up to 12 players for the season. All teams play an eight game schedule, mostly on Saturdays with one or more Sunday afternoon games. Two simultaneous 4 vs. 4 games are played. The Intermediates and Protons use a size 4 soccer ball, the other divisions use a size 3 ball. Each team has one practice a week (held on a weeknight or Sunday afternoon, as determined by the coach).

Game times will vary each Saturday and can start as early as 8:30 AM or as late as 4:30 PM. Game times for all teams will be different each week. Be sure to note on the registration any night that you have conflicts with other fall activities. This will enable us to put each child on a team that will not practice on nights where there will be a conflict. Some divisions will close out early due to the limited number of parents who volunteer as head coaches.

OUR OLDEST AGE DIVISIONS

		Maximum number of players accepted in division.
SENIORS DIVISION:	Boys born in 1996 and 1997	112
MAJORS DIVISION:	Boys born in 1993, 1994 and 1995	108
ELECTRONS DIVISION:	Girls born in 1996 and 1997	112
COSMOS DIVISION:	Girls born in 1993, 1994 and 1995	108

Our Oldest Age Divisions are for children who are old enough to play in the LMSC Travel Team Program but who either did not make a travel team or who chose to stay in the Intramural Program. All teams will play an eight game schedule. Most games will be played on Saturdays with one or more Sunday games possible. Each team has one practice a week (held on a weeknight or Sunday afternoon, as determined by the coach).

Game times will vary each Saturday and can start as early as 8:30 AM or as late as 4:30 PM. Game times for all teams will be different each week. Be sure to note on your registration form any night that you have conflicts with other fall activities. This will enable us to put you on a team that does not practice on those nights.

Seniors and Electrons Divisions: Games are played 8 vs. 8, use a size 4 all and have a maximum of 14 players on a team. Standings are not kept, there are no end of season playoffs.

Majors and Cosmos Divisions: Games are played full sided 11 vs. 11 soccer, use a size 5 ball and have a maximum of 18 players on a team. Standings are kept during the season and playoffs are held at the end of the season to determine a champion. **Children born in 1992 will NOT be accepted into either of these age groups.**

(Continued from page 5)

SPECIAL NEEDS DIVISION

This program is geared toward children ages 6-15 with a wide variety of physical and mental limitations. To find out more about this program, or to determine whether a particular child would be suited for the Special Needs Division, please e-mail us at: lmisc@netreach.net.

OTHER INFORMATION ABOUT THE INTRAMURAL PROGRAM

EQUIPMENT

By rule of the United States Soccer Federation, ALL players MUST wear shin guards to both practices and games. For safety reasons, soccer shoes are strongly recommended instead of sneakers. Intramural players will receive their soccer jersey at their first practice of the season. Intramural players can purchase a pair of our logoed LMSC navy intramural soccer shorts and white soccer socks at Sneaky Pete's (5 West Lancaster Avenue in Ardmore). Sneaky Pete's also carries a full line of youth shin guards and soccer shoes, as well as soccer balls. As our official supplier of soccer items, they also accept orders for other LMSC items such as our LMSC logoed soccer balls, sweat shirts, sweat pants and club jackets.

FINANCIAL AID

Our program is not-for-profit. Its purpose is to provide all soccer loving youngsters with a chance to play. Players who are in need of financial assistance for the season may request this on their registration form. One of the goals of LMSC is to not have any child turn away from the program for financial reasons.

CAR POOL AND TEAMMATE REQUESTS

We will attempt to honor car pool and teammate requests written on the registration form. We cannot guarantee that car pool requests or teammate requests will be honored since our first priority is to make teams within each division as fair and balanced as possible. Car pool requests may only be made with players in the SAME division. We will NOT switch players at the start of the season to different teams for this purpose, requests MUST be stated on the registration form. You may list a MAXIMUM of three people for teammate requests. If a player has a good friend who he or she would like to be placed with, please list him or her in this section of the registration form. We will also attempt, but not guarantee any specific coach requests as well. Car pool, teammate and coach requests received after August 10th will most likely not be honored since we must begin the difficult task of making team assignments at that time.

COACHING VOLUNTEERS

Our program is dependent on having parents of players volunteer as coaches. PLEASE give consideration to volunteering as a coach, thank you. We provide head coaches with ample coaching material in order to make the program a success. You do not need to have played the game, you only need to have an interest in working with a small group of children and the ability to stay one or two steps ahead of them in learning the game.

We also need people to volunteer to be Division Commissioners. Their responsibilities are administrative, i.e., making team assignments for the older divisions, switching players from one team to another when necessary, making phone calls in the event of rainouts, distributing end of season trophies, etc.

If you are interested in serving as a Division Commissioner, head coach or assistant coach, PLEASE indicate this on your registration. Also, if you are planning on coaching, please send in your registration form AS SOON AS POSSIBLE. Your help in this matter will be greatly appreciated so we can mail coaching materials, make coaching assignments, etc.

FIELD SITES

Several school district and township fields will be closed this year for renovations. As a result, we do not know at the present time which divisions will play at which field locations. We anticipate that all divisions will be playing at fields inside of Lower Merion Township, but we do not know which divisions will play where. Our web page will provide this information as soon as we know what fields are available for the fall season.

GAME TIMES

As mentioned, the Atoms, Neutrons and PeeWee Divisions will each have different time slots as follows:

Atoms:	Saturdays At:	9:15	11:45	2:15	3:30
Neutrons:	Saturdays At:	10:30	1:00		
PeeWee Division:	Sundays - Boys Play At:	10:00	12:30	3:00	
	Sundays - Girls Play At:	11:15	1:45		

Special Needs: Saturdays, tentatively at 9:00 AM at a field location to be determined.

All Other Divisions: All other divisions will have games running all day, starting at 8:30 AM and going until dark. Each team will have a different game time each week. Some games will be in the morning, some in the afternoon. We CANNOT place a player on a team that has only early games or only late games. Game times for each team will be different each week.

TIME SLOTS CLOSING OUT

The 9:15 and 11:45 Atoms Division time slots, along with the 10:30 Neutrons Division time slot, will close out by August 1. The 10:00 and 11:15 PeeWee Division time slots will also close out by August 1st. Players may not register for those time slots after August 1st. All other time slots will remain open, registrations will be accepted during the season for the other time slots. Please check our web page before registering to see which time slots still have openings for the Atoms, Neutrons and PeeWees divisions.

IF WE DO NOT GET ENOUGH COACHES IN A PARTICULAR DIVISION, WE WILL HAVE TO LIMIT THE NUMBER OF PLAYERS WHO WE ACCEPT INTO THAT DIVISION.

PLEASE GIVE CONSIDERATION TO COACHING!!!

DUE TO THE LIMITED FIELD SPACE, WE ANTICIPATE CLOSING OUT DIVISIONS BEGINNING AUGUST 10.

IF YOU PLAN TO PLAY THIS FALL, PLEASE BE SURE TO REGISTER BY AUGUST 10.

SIXTH ANNUAL RACHEL SAVETT MEMORIAL SCHOLARSHIP AWARD WINNER ANNOUNCED

Six years ago, one of our younger soccer players, Rachel Savett, passed away due to anaphylactic shock, caused by very bad food allergies. She had just been selected for one of our LMSC travel teams. Rachel's father, Robert Savett, coached in LMSC for over ten years.

To honor the memory of Rachel, LMSC created a scholarship fund in her name. The scholarship is awarded each year to a former LMSC player, referee or field crew person who is currently in college.

This year's winner of the scholarship is Dana Worby-Robinson who will be attending Shippensburg University this fall. Dana first played in our program at the age of four. She later played in the Travel Team Program for many years. During the past five years she has helped work at LMSC in many capacities. She has been our data entry person for both the Fall and Spring Intramural Programs. She has also worked as a referee, referee assignor, field crew worker and administrative assistant, helping with mailings, photocopying, packaging coaches materials, referee materials, etc.

LMSC will be awarding a \$1000 scholarship to Dana to help with her college expenses this coming fall.

LMSC would again like to thank those of you who donated to this worthy cause.

Rachel Savett Memorial Scholarship Award Winners

2006	Dana Worby-Robinson
2005	Luke Zeller
2004	Trent Tattar
2003	Richard Zeller
2002	Suzie Grech
2001	Tagg Boyle

LMSC FALL TRAVEL TEAM SOCCER CAMP

LMSC will again offer a Fall Travel Team Soccer Camp in late August. The camp will again be run by the U.K. Elite Soccer Camps. The U.K. Elite staff is mostly comprised of former high level soccer players from the United Kingdom.

This camp is open only to LMSC travel team players. Intramural players and travel team players outside of LMSC will not be admitted into this camp.

The boys camp will run from August 21-24. The girls camp will run from August 28-31. Both camps will run Monday through Thursday, from 5:00 PM - 8:00 PM. The location of the camp has not been finalized yet. We do however anticipate having the camp run at Amherst Fields, located on the opposite side of Bryn Mawr Avenue from Bala Cynwyd Middle School. This is the same location where the camp has been held the past three years.

Registration material for the UK Elite Fall Travel Team Camp can be found on our web page, www.lmsc.net in the Soccer Camps link.

Information on many other soccer camps can also be found on that part of our web page

FALL REFEREE AND FIELD CREW APPLICATIONS

Enclosed in this newsletter is an application form for the positions of referee and field crew for the 2006 Fall Intramural Program. A description of each of the different positions is enclosed.

If you are interested in working this fall in any of these positions, please fill out and mail back the application form to our Gladwyne address. Applications should be received no later than August 10th. The intramural season will begin on Saturday, September 9th and run through November 12th. Games will be played each weekend during that time period, except during holiday weekends. There are a limited number of Sunday games.

Referees will NOT have to be available each week. They will only be asked to work on days that their personal schedule permits them.

LEVEL 3 REFEREES - Must be at least 17 years of age OR be at least 15 years of age with a minimum of two years of referee experience. Level 3 Referees will be used for games in our 9-13 year old divisions. Level 3 referees are paid \$14 a game. Games will be primarily played on Saturdays (with some Sunday games) and last one hour. Games will be played at several different locations throughout the township.

LEVEL 2 REFEREES - Must be at least 13 years of age OR be at least 11 years of age with a minimum of one season of referee experience. Level 2 Referees will be used for games in our 6-8 year old divisions. Level 2 referees are paid \$12 a game. Games will be primarily played on Saturdays (with some Sunday games) and last one hour. Games will be played at several different locations throughout the township.

LEVEL 1 REFEREES - Must be at least 11 years of age with a minimum of two years of playing experience. No prior referee experience is necessary. Level 1 Referees will be used for games in our 4-5 year old divisions. These games pay \$10 per session (each session is approximately 70 minutes long). These referees will also be expected to help the coaches teach the basic skills and tactics of the game to the players as well as help with the skills clinic held at the start of each session. All games for level 1 referees will be at Gladwyne Playground. There will be games on Saturdays and Sundays.

ALL Referees will be expected to dress in soccer attire and must provide their own whistle. The referee assignor will call referees each Thursday to find out which referees are available for that weekend. Rules and regulations will be forwarded to the referees. Referees will need to pass a written test at the Annual Referees Meeting before the start of the season.

FIELD CREW - Field crew members must be at least 15 years of age. Field crew workers will be paid \$12 an hour to set up nets, line fields, remove trash and take down nets. Each week, they will need to have nets set up on Friday night or Saturday morning by 8:30 AM. Field crew workers must also remove trash from the fields and collect lost items at fields at the end of each weekend of play.

We will have a Head Field Crew person at each of our fields. The Field Crew head will call people on the field crew list to help complete their work.

AN ARTICLE FROM THE INTERNET

A mother was making a breakfast of fried eggs for her son. Suddenly the boy burst into the kitchen.

“Careful! CAREFUL! Put in some more butter! Oh my goodness!

You’re cooking too many at once. TOO MANY!

Turn them! TURN THEM NOW!

We need more butter.

Oh my. WHERE are we going to get MORE BUTTER?

They’re going to STICK! Careful. CAREFUL!!!

I said be CAREFUL!!

You NEVER listen to me when you’re cooking! Never!

Turn them! Hurry up!

Are you CRAZY? Have you LOST your mind?

Don’t forget to salt them. You know you always forget to salt them.

Use the salt. USE THE SALT! THE SALT!!!

The mother stared at him. “What is wrong with you? You think I don’t know how to fry a couple of eggs?”

The son calmly replied ... “I just wanted to show you what it feels like when I’m trying to play soccer.”
